Mousepads

Belkin WaveRest Gel Mouse Pad

F8E262-BLK

- Unique comfort zone gel-filled cushion conforms to your wrists for maximum comfort and support

Power Accessories

Belkin AC Anywhere™ 300W Power Inverter

F5C412eb300W

The unit simply plugs into any standard 12-volt DC vehicle cigarette lighter socket to convert your vehicle's battery power to 230-volt AC (common household current). Now you can keep laptop computers, PDAs, and AC appliances powered and operational wherever you go.

- Powers and recharges portable devices using 300-Watt power inverter
- Converts DC Power to AC power from a cigarette lighter socket
- Fits all standard car cigarette lighter jacks
- Works with laptop computers, portable printers, small TVs, CD Players, and other portable devices

Belkin SurgeMaster 4-Way Plug (2m Cable)

F9T410za2M

This plug protects your appliances during unspecified power cut-offs and hazardous lightning strikes

- Also has a convenient port for your telephone, fax, modem cable

Hubs

USB 2.0 and FireWire 6-port Hub for Mac Mini

F5U507uk

Hi-speed USB 2.0 and FireWire 6-port Hub for Mac Mini

- Combines FireWire and USB technologies in one easy installation
- Features USB and FireWire front loading ports for easy access
- Includes a Manufacturers lifetime warranty
- Provides a low-profile, space-saving platform for stacking a Mac mini

Belkin Hi-Speed USB 2.0 3-Port Hub with 15-in-1 Media Reader/Writer

F5U271ea

This great new advancement gives you the flexibility to work with virtually any type of media.

- Works with 15 types of media:
  - *XD Picture Card, CompactFlash® I, CompactFlash II, SmartMedia™, Secure Digital, Mini Secure Digital (Mini SD), MultiMediaCard, RSMMC, IBM® Microdrive™*
  - *"Memory Stick;Memory Stick Pro™, Memory Stick Duo, Memory Stick Pro Duo™, Memory Stick MagicGate™, and Memory Stick MagicGate Duo™*
- Powers through your computer's USB port-requires no additional power supply

Belkin USB Anywhere

F5U203ea

The USB Anywhere connects two mass-storage devices (media reader, digital camera, hard drive) using USB cables to transfer photos, songs, and files from one device to the other-all without a computer

- Frees up space on your media card for more pictures
- Lets you transfer files without a computer
- Allows you to copy individual files or complete directories with 2 copy modes
- Automatically shuts down after 30 seconds of inactivity for longer battery life
- Transfers files at up to 12Mbps

Tool Kits

Belkin 65-Piece Tool Kit

A8E070u

Kit includes:

- 9 piece Allen wrench set
- 10 piece Cotton Swabs
- 2 Batteries
- 2-Way Mini Screwdriver
- 1 Phillips
- 1 Flat
- 2-Way Phillips/Regular Screwdriver
- 3 Anti-Static Cleaning Wipes
- 3.5 oz. Pressurized Air
- 4.5" Side Cutter
- 5" Long Nose Pliers
- 5" Wire Stripper
- 6 Pc. Precision Screwdriver Set
- 6" #1 Phillips Screwdriver (150mm long)
- Screwdriver-to-Socket Adaptor
- Anti-Static Wrist Band
- Black Zipper Case
- Flashlight
- Flat Head (56mm)
- IC Extractor
- Mini Vacuum Cleaner with 3 Attachments
- Pen Knife
- Phillips Head #1 & #2
- Precision Clamp, Reversible Ratchet
- Sockets (1/4", 10mm, 11/32", 3/16", 3/8", 5/16", 6, 7, 8, 9mm)
- Socket Holder
- Solder Reel
- SolderWick
- Soldering Iron 110V/30W
- Spare Parts Box
- Squares (R0, R1, R2, R3)
- 3-Pronged Parts Retriever
- Torx (T10, T15, T20, T25, T8)

Cables

Firewire Cables

Firewire (IEEE-1394) uses two main connector types: 4-pin and 6-pin
The 6-pin connector is typically found on hosts that provide DC power, and on devices that require DC power from the Firewire bus.
The 4-pin connector doesn't have pins that carry power so it is normally found on devices that have their own power supply.

CF1100aed06	Belkin Firewire cable 9pin to 9pin, 1.8m	
CF1200ead06	Belkin Firewire cable 4pin to 4pin, 1.8m	
CF1200aed14	Belkin Firewire cable 4pin to 4pin, 4.2m	

Network Cables

F3X126b03M	Belkin Cat5e molded UTP Crossover Cable 3m - Yellow cable with grey boot	
F3X126b05M	Belkin Cat5e molded UTP Crossover Cable 5m - Yellow cable with grey boot	
A3L791b03M-B	Belkin Cat5e Booted UTP Patch Cable 3m Grey Booted connector mold to protect RJ45 tab from damage	
CNP4AS0aed1.5MR	Belkin Cat 5e Retractable Cable 1.5m	

Power Cables

FIC4003	Power Cable - Clover power connector & cable for Notebook adapters (clean power plug)	
NETW10024	Power Cable - Figure 8 cable for notebook adapters	
FIC4025	Power Cable with 2 X IEC (Clean Power Plug) 3m	
FIC4015	Power Cable with 3 X IEC (Clean Power Plug)	
FIC4017	Power Cable with 1 x IEC & 1 x clover head (clean power plug) - for LCD	

Serial & PS2 Cables

F2N035b06	Belkin PS2 1.8m extension cable	

SCSI Cables

FIN-SCSI-5dev	Unbranded Internal 68pin SCSI Cable - 5 device
FIN-SCSI-7dev	Unbranded Internal 68pin SCSI Cable - 7 device

IDE Cables

HD-ICAB	Cable - IDE 2 device cable

VGA, DVI & Audio Cables

F2N028b10	Belkin Pro Series VGA Monitor Replacement Cable 3m - male to male	
AV52400ea04	Belkin PureAV HDMI-to-DVI Silver Series 1.2m cable	
CC5001aed10	Belkin DVI Cable (Dual Link, DVI-D) 3m - Works with virtually any digital flat panel, liquid crystal display	
AV20600EA06	Belkin PureAV Audio Y-splitter cable - one 3.5mm to two RCA connectors	

F5U228	Belkin USB 2.0 Hi-Speed DVD Creator Lets you capture and edit movies from a variety of analog video sources Package includes powerful Ulead movie-editing software	

USB Cables

USB cables have a length limitation of 5 metres. It is possible to exceed this limitation by using USB hubs. A hub also lets you plug many devices to the same computer — a single PC can control up to 127 USB devices.

F3U134b10	Belkin USB Extension Cable 3m	
AV22201ea06	Cable - Belkin PureAV USB A to Mini-B (5-pin) 1.8m	

Printer Cables

F5U119eaE	Belkin Converter - USB 2.0 to Dual PS/2 (keyboard & mouse)	

UPS Cables

FIC7374	Unbranded Serial (DB9) cable male to female 1.8m

Keyboards and Game Pads

Cyber Snipa™ Warboard

FLEX-CSKBWB01

The Cyber Snipa Warboard brings a new level of destruction to the front line.

The keyboard is custom built to cater for the demanding requirements of gamers. The Warboard is the ideal keyboard for fast paced FPS, RTS, RPG and MMO gaming. Packed with features to dominate the competition - the Warboard's unique "Macro-Force" software, removable custom keys and ergonomic design will ensure a competitive advantage to the professional gamer.

Cyber Snipa™ Game Pad V2

FLEX-CSGPBK01

Anyone who has played FPS games for long periods of time will tell you that a standard keyboard is just too cramped for precision control and long term game play.

The Game Pad can take you to the highest level of skill and help you to be the best in the game. Position it alongside your mouse and mouse pad in a far more flexible way that optimizes game space. You can also connect it to your keyboard via the USB interface. The intuitive key layout reduces the learning curve and improves gaming control, speed and accuracy.

Flexiglow™ Light Speed™ LED keyboard

FLEX-FGKBLS01

Flexiglow™ Light Speed™ LED keyboard combines ergonomic style with macro enabled performance.

The translucent keys are backlit using LED technology and provide a soothing background light that prevents eye strain created from staring at monitors.

Mice

xRaider™ Mouse

FLEX-OMXR

The Flexiglow™ xRaider™ Gaming Mouse has been designed for the serious gaming enthusiast. Inside is a high performance Optical Accelerator that handles maximum response mousing.

Combined with an ergonomic user-friendly shape, you can enjoy hours of gaming and precision mouse movements in comfort. For the fastest action, we recommend the Flexiglow™ xRaider™ Mouse Pad (sold separately)

Cyber Snipa™ Intelliscope™ Mouse

FLEX-CSLM01

The Intelliscope™ mouse is a well designed and stunning looking gaming mouse built with grunt.

Stalk your enemies in 1000dpi STEALTH mode and when your target is in sight unleash the beast within with 2400dpi ATAK mode. All with a simple push of a button. This mouse is enhanced by the Intellilight Ambient Interface (AI) system. This system allows the user to be intuitively informed of the DPI setting during combat situations. You never need to remember what setting you are in. By the illuminated glow on and around the mouse, you are intuitively informed if the DPI setting is set for ATAK mode or precision STEALTH mode needed for sniping.

Cyber Snipa™ S.W.A.T.™ Mouse

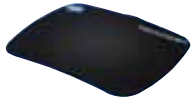
FLEX-CSLMSW01

The S.W.A.T.™ gaming mouse delivers laser precision performance with a fully loaded arsenal of features. Using macro A.I. technology, program your mouse for in-game macro sequences that will have you playing like a pro.

The specially designed on-board-memory means you only have to program your S.W.A.T.™ mouse once, and your preferences will be remembered on any PC. With an illuminated DPI switch and a 16 bit ultra data path engine, the S.W.A.T.™ gaming mouse is a strategic weapon and tactical solution for the serious gamer.

Cyber Snipa™ Tracer™ Mouse Pad

FLEX-CSMPTR01



The Tracer™ illuminated mouse pad features one of the fastest and most responsive gaming surfaces in the field.

The dimmer dial, conveniently located on the USB cable, allows direct control of brightness and illumination. Combined with a performance gaming mouse, the Tracer™ will greatly enhance your game play. Forged from high quality acrylic glass, the low profile and wide footprint mouse surface means you will always be equipped for combat performance.

Mouse Pads

Cyber Snipa™ Aluminium Mouse Pad

FLEX-CSMPAL01

In the intense heat of battle the last thing you need to worry about is running out of space.

The Aluminium Mouse Pad is designed to solve this problem. The oversized pad is manufactured from top grade anodised aluminium which has been selected for its light weight and incredible strength. This gamer approved surface has been designed to ensure precision mouse control. Don't be surprised if you need to turn down the mouse sensitivity, the surface resistance is so low that the mouse will feel like its skating on a layer of air.

Cyber Snipa™ Micro-fibre Mouse Mats

FLEX-CSMM01 / FLEX-CSMM02

Using the latest in micro-fibre technology we have succeeded in reducing surface resistance so that your mouse can glide along the mat at speed.

The tightly matted fibres are treated with the patented Opti-Fibre™ coating to ensure that the reflection of the laser or optical beam from your mouse is perfectly captured by your mouse reader sensor. Staggered, jumpy or frozen mouse movements will now be a thing of the past. Enjoy the ride.

[buyers tips]

- **Enhanced Function Keys –** Get one-touch access to the most common commands: Help, Undo, Redo, New, Open, Close, Reply, Forward, Send, Spell, Save, and Print.
- **Customizable Hot Keys –** Get one-touch access to the functions and files you go to most ... and it's easy to re-program any key to get you where you want to go!
  - **Internet Keys –** Mail, Web/Home, Messenger
  - **System Keys –** Calculator, Log Off, Sleep
  - **Windows Keys –** My Documents, My Pictures, My Music
- **Media Center (Multimedia Keys) –** One-touch access to Play/Pause, Stop, Mute, Volume Up, Volume Down, Media Launch, Previous Track, and Next Track.
- **My Favorites Keys –** Customize these 5 keys to instantly bring up the photos, folders, files, and web pages you use most. Simply push and hold to set – just like your car radio.
- **Sleep Hot Keys –** Put your computer into "sleep" mode (such as suspend, standby, or hibernation).

- **Zoom Slider –** Use the easy, built-in Zoom Slider for close-up views of pictures, maps, documents, Web pages, and more – without taking your hand off the keyboard.

- **Magnifier –** The Magnifier delivers real-time magnified viewing of images, documents, Web sites, and more. Just point and click the Magnifier Button to enlarge, view, and edit details.

- **Tilt Wheel Technology 4-Way Scrolling –** Easily and efficiently scroll side to side and up and down using the Microsoft Tilt Wheel.
- **Ergonomic Design –** Split, gently sloped shape encourages a natural hand, wrist, and forearm position for maximum comfort.
- **Biometric Technology –** Fingerprint reader for convenient password replacement.
- **Interface –** Your choices are PS/2 or Universal Serial Bus (USB).
  - **USB:** Universal Serial Bus (USB)
  - **PS/2:** The standard keyboard connection, the PS/2 port is small and round with six pins.

- **High Definition Technology –** Microsoft Intelligent Tracking System (MITS) is the proprietary mathematical equation built into our chips that enables smoother tracking over a wider variety of surfaces. It is the brains of the tracking technology that reads the information the sensor is relaying and fills in any holes, so that the traction works even over unique surfaces.
- **Laser Technology –** Microsoft® High Definition Laser mouse products are more precise, more responsive, and deliver smoother tracking.

- **Optical Technology –** Navigate with better speed and accuracy with Microsoft® Optical Technology. The optical sensor tracks mouse movement without the hassle of mechanical parts, offering you unprecedented durability and a consistently smooth navigation experience. The optical sensor works on just about any surface, so you can get rid of that old mouse pad.

- **Instant Viewer –** Too many open items on your desktop? Click the scroll wheel button to instantly display your open windows, then point and click to select. When you've got a stack of open windows, hunting for specific pages through the taskbar slows you down. Instant Viewer lets you find what you're looking for with a single click of your mouse. One tap instantaneously displays your desktop screen underneath small versions of all your open windows. Click directly on the item you want to open it to full size. It's that simple—and you're right back to work.
- **Windows® Start Button –** Press to launch your Start menu and search your PC or the Web if you have Windows Vista installed.
- **Gadgets Button –** One-touch access to gadgets such as weather information, news updates, traffic maps and slide shows of online photo albums.
- **Digital Ink –** Give your presentations more impact by highlighting vital information on screen.

G-Note 7000

31100041100

- A4 size digital note and tablet
- Great tool for professionals

Key features:

- Professional device for meetings, note taking, or presentations
- 8.5"x11" working pad, suitable for A4 paper
- Uses digital note and tablet functions
- Cordless pen for digital note and tablet
- Built-in 32MB memory can store up to 100 pages, SD memory card slot available
- Transfer digital pages to PC via USB cable for editing, organizing or sharing by e-mail
- **Working Area:** 216mm x 279mm (A4)
- **Resolution (LPI):** 1000
- **Paper thickness:** 13.5mm (135pages)
- **Memory type:** 32MB flash and optional SD card
- **Battery:** 3A x 4
- **Digital Pen:** 1(blue)
- **Tablet Function:** Yes

BELKIN

Analogue Modems

External Duxbury 56000 Voice/Fax Modem (Serial)

DUXLISTP568V92

- Data Protocols ITU-T V.90 (56 000bps)
- V.34 (33 600 and 28 800)
- V.34bis/V.34/V.32bis/V.32/V.22bis/V.22/V.23/V .21
- Automatic Line Speeds from 300 to 56 000bps
- Error free data compression through V.42bis & MNP5
- Windows '95, '98 and Windows NT drivers

External Duxbury 56000 V.92 Modem (USB)

DUXLIS5600USBV92

A high-performance, feature-packed V.92 modem that is small enough to fit inside a connector-sized dongle, and since it draws power from the computer's USB port, no power supply is needed

- With Windows plug and play features, Duxbury 56000 USB modems are easy to use: simply plug the modem into the USB port and the computer recognises it instantly, without hardware installation or rebooting.

Internal Duxbury 56000 Voice/Fax Modem (PCI)

DUXLIS5600SH

- Data Protocols ITU-T V.90 (56 000bps)V.34 (33 600 and 28 800)
- V.34+/V.34/V.32bis/V.32/V.22bis/V.22/V.23/V. 21
- Data Compression V.42bis, MNP 5
- Automatic Line Speeds from 300 to 56 000bps
- Error free data compression through V.42bis & MNP5
- Auto detect voice/fax/data; Group III 14 400bps fax capability
- Fax on demand faxback feature
- Full duplex speakerphone with echo cancellation through sound card

GSM Modems

Duxbury PCMCIA (GPRS/Edge/3G/HSDPA) Modems

Duxbury Edge Modems are versatile and easy-to-use GSM devices that provide excellent usability. Integrated into devices or application systems, they create new opportunities to manage resources more efficiently.

- Support EDGE technology, ("Enhanced Data Rates for GSM Evolution")
- Allow higher speeds for downloads and streaming of data-intensive multimedia files, exchange of email attachments and fast internet or intranet access

Duxbury Edge Technology PCMCIA Card (EDGE/GPRS) **DUXLISEDGE-100M**
Duxbury HSDPA Card (HSDPA/3G/EDGE/GPRS) ..... **DUXOP-HSDPA**

Duxbury USB Edge Modem

DUXLISEDGE-180M

Duxbury Edge Modems are versatile and easy-to-use GSM devices that provide excellent usability. Integrated into devices or application systems, they create new opportunities to manage resources more efficiently.

- Support EDGE technology, ("Enhanced Data Rates for GSM Evolution")
- Allow higher speeds for downloads and streaming of data-intensive multimedia files, exchange of email attachments and fast internet or intranet access

General Features:

- Quad-Band GSM 850/900/1800/1900 M
- EDGE (E-GPRS) Multislot class 10
- GPRS Multislot class 12
- GSM release 99

Duxbury Serial Edge Modem

DUXLISGPRS-120

- Quad-Band GSM 850/900/1800/1900 M
- EDGE (E-GPRS) Multislot class 10
- GPRS Multislot class 12
- GSM release 99

Output power:

- i. class 4 (2 W) for EGSM850
- ii. class 4 (2 W) for EGSM900
- iii. class 1 (1 W) for GSM1800
- iv. class 1 (1 W) for GSM1900
- AT commands Hayes GSM 07.05 and GSM 07.07
- AT commands for RIL compatibility (RIL/NDIS)
- TCP/IP stack access via AT commands
- SIM application toolkit (SAT Release 99)
- Ambient temperature: 30 °C + 65 °C

Duxbury Edge Router

DUXLISEDGE-230M

- Quad band 850/900/1800/1900 MHz EGPRS
- Class 10 Coding scheme MCS 1-9 up to 236.8Kbps
- GPRS Class12, Mobile station class B, Coding scheme 1-4, CSD V.110 RLP

Router Basic Functions

- Auto-Sensing Ethernet Switch
- WAN type supported
- DHCP Server supported
- Virtual Server supported
- User-definable application sensing tunnel
- DMZ Host supported
- Statistics of WAN supported

Wireless functions

High Speed for Wireless LAN Connection

- Roaming
- IEEE 802.11b Compatible (11M)
- IEEE 802.11g Compatible (54M)
- Auto Fallback
- Security Functions

ISDN LAN/Modem

Duxbury PCI ISDN Modem ..... **DUXISDNPCI**
Duxbury Mini USB ISDN TA 128K. ..... **DUXLISISDNUSBmini**
